CHAIR'S WELCOME

Welcome everyone to our Autumn flower show schedule for 2025!

I write this whilst sitting in my sunny garden having just past the summer solstice on the calendar.

Our garden is full of colour from the flowers we have grown and the vegetables are also growing well this year alongside the Tomatoes in our greenhouse. As all of you will have been doing too, we have needed to water every evening or morning to keep them all growing well and feeding is also as required. It has been a heavy task this year but so needed. We have now begun to look around and possibly think of what we could show in the classes offered in this schedule. We hope you may start to also think about what you could show, as we would love to see your entries. The more the merrier! However, if you are not a grower, do not forget this show also has classes which include three themed photographic classes, cookery, preserves, handicrafts and honey and it's byproducts; as beekeepers will have been taking off their honey by then, which the bees have produced for them this summer. There is also a lovely honey recipe that Fern, our honey rep. has offered us, which looks very tasty!

Finally, we have four classes for the children which look fun to produce. Please encourage your children or grandchildren to enter for the fun and competition of it all. There will also be other village groups such as the Brownies, Rainbows and Pre-school and we are hoping maybe other groups may enter to enhance the show for all to enjoy.

Thanks so much for your support as always. We so look forward to receiving your entries and meeting you at the show. Have a great summertime!
